2017 MEDIA KIT

Uptick Newswire
Providing Transparency to Micro-Cap Stocks

About

Uptick Newswire is the top Penny Stock & Micro-Cap news source in
America

Our mission is to provide transparency to publicly traded companies

Our Newsroom allows investors to research and find new companies
for their portfolios

Our reach in the Stock Market community gives Uptick Newswire the
ability to reach potential clients that are seeking new investment
opportunities

Uptick focuses on those who trade on the OTC, NYSE, NASDAQ, TSX &
other world markets

Uptick Newswire provides companies with customized solutions to get news out to national and international media

Beyond media outlets, Uptick Newswire has cultivated a unique user base of investors, consumers and brokerage houses that receive information about penny-stock and OTC companies

The objective is to build relationships between Nano-Cap and Micro-Cap companies and investors

Newsroom

UPTICK Newswire is equipped with an unlimited **press release service** through custom RSS feed newsrooms, creating communication hubs for CEO's

CEO's have the ability to get their company news out as it breaks, add electronic press kits, give media partners easy access to pertinent information

The 21st Century Newsroom service meets SEC guidelines and FD Regulations by providing the means to readily disseminate news to the market

Stock Day Podcast

Founder and Editor in Chief at Uptick Newswire, **Everett Jolly's** forward-thinking vision has created the **Stock Day Podcast**

The show lends transparency to the ins & outs of Penny Stock companies, giving investors the info they need to make informative decisions about their portfolios

With over 500 interviews and counting, The Stock Day Podcast is a leading source of insider information on the Penny Stock market

These informative conversations are essential to foster relationships between industry contacts

The show provides exclusive CEO insight not offered by other Micro/Nano cap media companies
